

**Memorandum of Understanding**  
**Between**  
**Glendive Medical Center and Dawson County Health Department**  
**RE: Community Health Assessment and Community Health Improvement Planning**

This Memorandum of Understanding (MOU) between Glendive Medical Center and Dawson County Health Department records an agreement to work collaboratively in the Community Health Assessment (CHA) and Community Health Improvement Plan (or GMC Implementation Plan) procedures required of both entities.

Both entities agree to attend CHA/CHIP planning meetings, provide input, provide resources, and identify stratagems to combat health issues identified in Dawson County, and for GMC, the surrounding area. This agreement will require renewal upon the next CHA/CHIP process in three years.
