

2018 Statewide Integrated Behavioral Health Summit

November 5-6, 2018
University of Montana, Missoula, MT

Jointly provided by Postgraduate Institute for Medicine and Western Montana AHEC, Montana Healthcare Foundation and Behavioral Health Workforce Education and Training

Target Audience

This activity is intended for clinicians interested in integrating behavioral health into their primary care settings.

Educational Objectives

After completing this activity, the participant should be better able to:

- Define roles of providers on the care team
- Discuss how to utilize these roles in clinical settings
- Plan clinic flow and administrative responsibilities
- Integrate all aspects of collaborative care for better patient outcomes
- Design and create effective care teams
